

# Hub Club Noticeboard

Salisbury and South Wilts Sports Club

January 2010

Happy New Year! I would like to introduce myself as the new Communications representative of the Hub Club. My role is to keep everyone within Salisbury and South Wilts Sports Club updated and most importantly involved with the progression of the Hub Club.

From what I have learned already the new Hub Club will be a fantastic facility that will benefit everyone within S&SWSC but for this project to happen we need your help. Throughout my communications I will be making you aware of events, volunteer opportunities and any other areas we need you to get involved in.

I am looking forward to progressing in this role and to becoming a point of contact between yourselves and the Hub Club Committee. If you are able to help or have any feedback or ideas please don't hesitate to contact me at [natsy\\_17@yahoo.co.uk](mailto:natsy_17@yahoo.co.uk)

Thanks for your time,  
*Natalie*

The Hub Club has a website. I will be updating the website on a frequent basis but there is already information there for you to take a look at.

Add it to your favourites and have a look every once in a while. The website address is

[www.southwiltshubclub.co.uk](http://www.southwiltshubclub.co.uk)

## SUMMER BALL!

We are looking to hold a spectacular Summer Ball but we need organisers. Are you in events management? Are you looking for events experience? Would you just like to get involved with an exciting project? Let me know.

There will be a corporate golf day at High Post on May 19<sup>th</sup>. At this event we are looking to hold a **fund-raising auction**. Where you come in is that we are looking for auction items to be donated.

So far we have a trip to some holiday homes in Devon and an artwork amongst others.

**Who do you know?**

**What do you do?**

**Can your contacts get you tickets to an event ?**

**Do you family friends own a restaurant?**

If you can get hold of any quality items that you think are suitable to donate please get in contact ASAP.
