**FOOD &
QUIZ NIGHT**

SAT 10TH MARCH

7:30pm

AT THE CLUBHOUSE

****£5 FOR FOOD AND QUIZ****

****6 MEMBERS PER TEAM****

PLUS RAFFLE ON THE NIGHT!!

**RAISING MONEY FOR THE
NEW CLUB HOUSE**

Men's 3rd XI

We have just beaten Ewshot 5-1 and Portsmouth and Southsea 8-1 to confirm our position at the top of the league and certain promotion to Hants Open 6. If we win this weekend we are confirmed as champions despite the match next weekend against Fareham who are second in the league. Tim Orchard

MARKET STALL

The Market Stall made just over 1000 pounds for the building fund last year. That was largely due to peoples generous contributions from all around the club.

Things that sell well are Books, Videos, DVDs, China, old toys etc. Please do not send in old clothes.

The Market Stall is being run this year by the 2nd XI, so contributions to go to Steve Maundrell (smaundrell@qinetiq.com 07966 412699) or Struan Haston. (straunhaston@hotmail.com 07966 282833)

It takes place on Saturday 21st April, so contributions to come in by 14th April is probably best

SWIFTS NEWS

Has any one seen our first aid kit?

Not the first line of a festival song, but a request. Could all club members look around and let me know if they have inadvertently picked up the Swifts first aid kit. (Green bag with Salisbury Hockey Club 1st written on the outside). It was last seen at the cup game against Havant four weeks ago, but appears to have walked. I have asked Havant, but they say they don't have it.

Still in need of help at coaching on a Sunday.

We still need help, we desperately need some one who can work with the under 16's next year to develop stick skills and game play awareness.

As an ex goalkeeper, I don't have the technical ability to teach the boys and girls beyond the basics and develop them to their full potential.

This would free me up to work with the younger groups. All assistance however small would be appreciated.

Alastair Barrett
Under 16's Coach

Swifts continue to battle hard.

Due to illness and lack of players over half term (Myself included) we had to concede a game to the IOW and a bare 11 players (Thanks to the VET's who turned out to help) meant a 4 - 1 defeat to Hamble left us anchored to the bottom of the table.

With two games to go to the end of the season against Weymouth and New Milton, both top of the table, the season has been a steep learning curve for the boys, but we have created chances and played some delightful hockey. The team if it stays together next season will come out fighting and will develop the players that will be needed to support the thirds and seconds as they progress upwards and onwards.

Alastair Barrett
Swifts Captain

Summer League

The ladies are entered into the Southampton Summer League this year looking for slightly better games. We still someone willing to organise this team. Anyone interested please contact Jan Baker.
